### SYNOPSIS

**CyberSecurity Malaysia** is the national cyber security specialist centre under the purview of the Ministry of Science, Technology and Innovation (MOSTI). **Cybersecurity Malaysia** looks after the safety of the Malaysian cyberspace and provide safety tips, advisories, and specialized services in the field of cyber security.

The services includes Cyber999™ Help Centre, Malaysia's Computer Emergency Response Team (MyCERT), Digital Forensics / CyberCSI™, Security Management and Best Practices, Security Assurance, Vulnerability Assessment Services ,Malaysia Common Criteria Certification Body (MyCB), Information Security Professional Development, Outreach Programmes and Cyber Security Policy Research.

More details can be found at [www.cybersecurity.my](http://www.cybersecurity.my) and participants are encouraged to view the site before the visit.

The visit will start with a talk giving an overview of Cybersecurity Malaysia's functions, services and areas of expertise. This will be followed by a tour of the laboratories and facilities in CyberSecurity Malaysia.
